And What Have You

By BOB CRAIG

As we do each year at this time we would urge you to attend the Annual Banquet of the Hamlin Board of Community Development tonight. This is your organization and it needs your support.

Over the years we have heard many grumble about what this organization does or does not do, but basically it does all it can do with the limited support it receives. Hamlin, like most communities regardless of size, has a great many people that expect great things but never seem to want to do their fair share.

It is easy to say what should be done but it is another matter when it comes time to get someone to do the job. A good yardstick to measure this by is for each of us to stop and reflect on just how much time and effort we spent this past year helping to make Hamlin a better place to live.

How much of your time did you give to the community through its churches, its civic organizations, its BCD, its United Way, its youth programs, etc? If everyone spent as much time as you did would Hamlin be better or worse off than it is?

Among the many projects in Hamlin that needs your support is the current fund drive by the Hamlin Cemetery Association to create an Endowment Trust Fund. It is the goal of the trustees of this organization to raise a total of \$150,000 to place the local cemetery on a perpetual care basis.

Like most all cemeteries that are not on perpetual care, the Hamlin Cemetery has been one constant struggle over the years. A recent mailing by the trustees indicates that the Association was established in 1907 and after 69 years of various means of raising money and working, the overall condition of the cemetery has worsened due to people moving away, others who have become indifferent or physically unable to care for their lot and due to inflation.

From studying like-endowed cemeteries, it is believed by the trustees that income from a \$150,000 endowment trust fund would take care of the needs of this cemetery. The trust funds paid in would never be spent but would be invested and the income generated would be used to keep up the cemetery.

As a guideline only, the trustees point out that \$1,000 placed in the fund would provide about \$60 a year which would take care of a fair share of the cleaning and care of the streets, trees, shrubs, fence rows, etc., as well as a plot.

The Endowment Trust fund as of January 5, has accumulated \$44,750 and the trustees are seeking to raise the additional \$105,250 needed.

Those who are interested in this project should mail their contributions to the Hamlin Cemetery Association, Box 383, Hamlin or contact any member of the Board of Trustees. These trustees are: Bill Rountree, chairman; Weldon Hudson, vice chairman; John Howard Jr., secretary-treasurer; L. C. Bonds, Edward Gardner, Bill Moore, Mrs. J. C. Bailey, Mrs. John C. Bryant and Mrs. Weldon Griggs.

This organization needs your support in this endeavor regardless of the amount. If you are unable to make a large contribution to the trust fund at this time then please consider making a small contribution monthly, quarterly or yearly.

Remember, if Hamlin is your home then the care of the cemetery should be your concern just as much as it is the concern of these nine trustees who are giving freely of their time.

Robert Fowler Announces for Hamlin Mayor

Robert Fowler, manager of Moore Elevator, announced Monday that he was a candidate for Mayor. He is currently serving as a councilman and would resign that position if elected to the two-year term as mayor.

Joe E. Ford, presently serving as Mayor, said last week that he would not be candidate for re-election for a third term.

In a new development this past week it was learned that Pat Willoughby, who was recently appointed to the council to fill the unexpired term of A. E. "Buddy" Killion, term of office will expire in April. According to a ruling out of Austin, the council can only appoint a member to serve until the next election.

Willoughby must seek election for a one-year term if he is to serve out the unexpired term of Killion.

No candidates have filed for the regular two-year terms on the council that

expire in April. Currently serving in these positions are Richard Young Jr. and David Casey. While Young has not indicated whether he will be a candidate or not, Casey said last week that he would not seek a third term.

Both incumbents whose terms expire on the Hamlin Independent School District board of trustees have filed for re-election. Seeking re-election for three year terms are Lewis Earl Madden and Clyde Lewis.

Both the city and school elections will be held Saturday, Apr. 3, at the high school building. Deadline for seeking a place on the ballot for either the city council or the school board is Wednesday Mar. 3.

The terms of three members of the Hamlin Hospital District Board also expire this year. This election will be held on Tuesday, Apr. 6. Members whose terms expire are Joe Hudspeth, Bill Harbert and John C. Bryant.

FIRST OF MANY—

City, School File 7 Delinquent Tax Suits

The first of what is expected to be several Delinquent Tax Suits has been filed by the City of Hamlin and the Hamlin Independent School District. Attorneys for the taxing agencies filed seven suits in District Court this past week.

Representing the city and the school in the tax suits is the firm of Perdue, Brandon and Blair. The firm specializes in collecting delinquent taxes.

The suits were filed to

collect delinquent taxes for the year 1974 and before.

Listed as defendants in the suits were J. O. Adams, J. T. Bennett, Troy O. Berry, Areeta Bell Bolden, Ellen Bolden, Gene Butler and James E. Butler Jr.

The law firm was hired by the city and school last year to begin work on collecting back taxes and these are the first suits that have been filed. It is expected that Jones County will be asked to join in the suits with the city and school.

Roy Lane Seeks to Clear Up Voter Registration Statement

An error in the "notice to tax payers" note which ran as an advertisement in Jones County newspapers last week relating to voter registration may have been confusing. Jones County Tax Assessor Collector Roy Lane stated this week.

By way of correction, Lane issued the following statement, "In regard to voter registration the fact is that voters need not re-register this year if they are in good standing as of Jan. 1, 1976 on the voter registration current list."

The incorrect notice in the advertisement read, "If you have received a notice to register to vote, please do so

immediately. If you have not voted in the past three years you must register again."

Other parts of the advertisement related to the Jan. 1 deadline for paying taxes without paying penalty and interest and to car registration starting Feb. 2, 1976.

Physical Fitness Class to Start Monday Evening

Several men met with Coach David Bonds Thursday evening and made plans to start a Physical Fitness Class for men to begin here Monday at 6:45. The class will be part of the Community Education Program being launched by the local School District.

Coach Bonds said that the class will meet each Monday and Thursdays evenings from 6:45 to 7:45. He said that the class will run only one hour instead of two as first announced so that it will not conflict with the Women's Slimnastics Class already being held on those nights starting at 8 p.m.

The fee for the class will be \$4.50 per month which will average 50 cents per night. Coach Bonds said that men who are interested should report to the southwest corner of the high school gym at 6:45 for the first workout.

Mrs. H. H. Shadle of Aspermont spent the weekend in the home of her daughter and her husband, Mr. and Mrs. Ernest Jenkins.

Mr. and Mrs. David Bunting of Bryan visited Mr. and Mrs. Joe Simpson and family for several days recently.

City to Mark Birthday At BCD Banquet Tonight

Hamlin will mark its 70th birthday and celebrate this nation's Bicentennial during the Annual Banquet of the Hamlin Board of Community Development tonight (Thursday) at 7 p.m. in the high school cafeteria.

Centered around the Bicentennial theme, the banquet speaker will be Mrs. Clyde Angel of Big Spring who will speak on "Come to the Birthday Party for a Lovable America." She will look at the past, present and the future.

Opening the Bicentennial theme will be a musical presentation by the Sound of Celebration Choir under the direction of Lynn Mink.

Joe Hodges of Abilene will present the community of Hamlin with its Bicentennial Awards which will include the presentation of a Bicentennial flag. Hodges is a representative of the American Revolution Bicentennial Commission of Texas. He will present both the state and federal certificates which designate Hamlin as a Bicentennial Community.

Bob Hawes, Hamlin School Superintendent, will present the annual Citizens of the Year awards to the man and woman of the year.

During the business session, Pat Willoughby, outgoing president of the organization, will give the annual president's report and introduce the outgoing and incoming officers and directors.

Taking over the reins of the organization during the banquet will be John S. Watts, president; Joe Cowan, first vice president; Byron Swank, second vice president; and S. C. Ferguson Jr., treasurer. Mrs. L. C. Bonds will continue to serve as executive secretary.

The outgoing officers who served with Willoughby during the past year are Mrs. Robert Fowler, first vice president; Joe Cowan, second vice president; and Mrs. O. H. Weaver Jr., treasurer.

The retiring directors are Willoughby, Robert Fowler, Bob Craig, Mrs. Kenneth Riddle, Mrs. James E. Harrison and Mrs. O. H. Weaver Jr. They will serve in the receiving line to welcome guests to the banquet.

Directors with one year terms remaining are: Watts, Mrs. L. H. McBride, John Ferguson, Mrs. Fowler, Cleburne Murdoch and Cowan. Directors with two year terms remaining are: Lewis E. Madden, Gary McMillan, S. C. Ferguson Jr., Hawes, Swank and Eddie Connally.

New directors who will serve three year terms are: O. H. Weaver Jr., Melvin Scott, C. L. White, Loyd Burkhardt, Mrs. James F. Wright.

Tickets for the banquet will be available at the door and are \$4.00 per person.

Gun Collection At Snyder Museum

Fifty-one firearms from the collection of Jackie Williams of Hamlin have been put on display in the Scurry County Museum along with a collection of 23 paintings by Big Country artists.

The Williams collection contains rifles, shotguns and pistols, some of them antiques and several unusual items. There are, for example, a four barrel 12 gauge shotgun and a London Fine Twist four gauge shotgun.

MAKING LYE SOAP—Mrs. Gene Prewit's fourth grade class were busy this past week making lye soap to be used in one of the table decorations at the Annual Banquet of the Board of Community Development. Pictured with the finished product are, left to right, Bobby McGee, Paul Hastings, Lupe Gonzales and Twila Van Dam.

Hamlin to Travel to Winters Friday, Anson Here Tuesday

Both the boys and girls varsity teams remain undefeated in the second half of district play and will travel to Winters Friday and then host Anson here Tuesday night. The Pipers' only district loss this year was at Anson in the first round and the girls have lost only to Anson and Coahoma.

Charles Brown hit 22 points to lead the Pipers over Ballinger Tuesday night, 63-47. Joining Brown in the

scoring department were: Delbert Thompson with 10, Alan Steele with 2, Gerald Rodgers with 14, Daniel Willis with 9, Rick Craig with 1, and Steve Williams with 4.

The Pipers led 19 to 9 at the end of the first period and had the Bearcats down by five at half time, 30 to 25. Hamlin added seven more points to their lead in the third period and built this to over 20 points in the fourth period before Coach Tom Dechairo cleared his bench.

The Hamlin girls defeated Ballinger, 46-40 with Starlet Covington scoring 22 points. Elizabeth Hooper added 13, Stacy Bell 3, Tracy Gregory 4 and Betty Fitts 4. Hamlin lead 46-24 at the end of the third period when Coach Bettye Davis put in her second unit.

Ballinger won the boys' JV game, 52-41.

The Pipers opened up the second half of play here Friday night with a 65-49 victory over the Stamford Bulldogs. Rodgers, Thompson and Williams all hit in double figures to lead in the scoring. Rodgers hit 16, Thompson 19 and Williams had 12. Other Pipers scoring were Brown with 9, Craig with 4, Willis with 4, and Stanley Jones with 1.

Hamlin won the girls game, 52-34, with Hooper scoring 31 points. Joining in the scoring were Bell 4, Covington 11, Fitts 2, Gregory 2, Barbara Hooper 2.

Hamlin won the boys JV game, 52-39.

Local JV's Take Second In Boys, Girls Tourney

Hamlin took second place in both the boys and girls divisions of the Aspermont Junior Varsity Basketball Tournament this weekend. The girls lost to Roby, 35 to 34 in the finals and the boys lost to Haskell, 45-33.

Bo Ervine scored 19 points for the boys and Stacy Bell scored 22 for the girls.

The girls defeated the Aspermont B team in the first round, 31-11 with Stacy scoring 15 points. In the second round it was Hamlin 31 and Paducah 30 with Stacy scoring 16 points.

In the boys division, Hamlin defeated Aspermont B, 77 to 28, with Ervin scoring 18 points. In the second game Chili Brown scored 12 points as Hamlin defeated Paducah 43-38.

17 Scouts Take Part In Council Klondike Derby

Seventeen members of the Hamlin Boy Scout troop attended the First Annual Klondike Derby sponsored by the Chisholm Trail Council this past weekend near Clyde. Three patrols from Hamlin competed against about 40 other patrols in the various events. The Panther Patrol consisting of Neal Baker, Kevin Benningfield, Britt

Cary and Wendell Roberts earned a first place blue ribbon; the Bear Patrol of Billy Bond, Steve Campbell, John Bill Maddox, Steve Reynolds and Richard Williams won a second place red ribbon; and the Hawk Patrol of Johnny Cook, Mitch Lawlis, Gordon Roberts and Carl Wade took a third place yellow ribbon. Scoutmasters Samuel Feguson, Steve Carriker and Jerry Gooch accompanied the scouts, while Allen Young, Hamlin's first scout to be appointed to a camporee staff, was in charge of one of the events, the oil barrel battle.

Other competition events included the Klondike Derby, and Eskimo blanket toss and an obstacle-course course. The troop arrived at the campsite Friday evening, competed all day Saturday, received their awards during a campfire ceremony that evening and returned to Hamlin Sunday at noon.

"The patrols' performance was excellent considering that we have so many young and inexperienced scouts with respect to camporee competition, and that we were the only Northern District troop there," summarized Head Scoutmaster Ferguson.

Beta Theta Sorority To Host Game Night February 6

A Game Night Friday, Feb. 6, sponsored by Beta Theta Sorority, will benefit the Hamlin Bicentennial Project. The event will be held in the high school cafeteria and games of 42, 84 and bridge will be featured. Prizes will be given for high and low as well as door prizes.

High school students are welcome.

Separate tables will be set up for those interested in beginners bridge. Coffee, tea and cookies will be served as refreshments. Tickets are \$2 per person and may be bought from members of Beta Theta Chapter.

FROM THE FILES . . .

FIFTY YEARS AGO

The annual meeting of the Stockholders of the Farmers and Merchants National Bank was held on January 12th, 1926.

The Bank reported a prosperous business in the year 1925. The Stockholders elected the following Directors for the ensuing year: Guy McNeal, J. W. Ezell, L. W. Ezell, W. C. Russell and Tate May.

This bank is gradually getting its new name established in the minds of the public.

A number of little folks enjoyed a pleasant hour at the home of little Miss Doris Pope, Saturday afternoon when they assembled to help celebrate her tenth birthday.

Those enjoying this happy occasion were: Elmo Joy Wilson, Billie Birdwell, Lucille Owen, Norma Mayfield, Geneva Albritton, H. O. Cassle Jr., W. W. Collier Jr.; Richard Feagan, J. C. Turner and Sammy Lake Adkins.

Saturday afternoon while the Orient switch engine was at work on the commercial track that leads up the alley to the Gray Lumber Yard, it had the misfortune of smashing into a Ford car at the crossing just east of Green's Store. W. S. Reynolds, a farmer of Fisher County, who resides about eight miles west of Hamlin, was going east toward the Hamlin Poultry House, and with the dark cloudy weather, and a fully cur-tained car, they did not suspect or see the switch engine that was backing slowly down the track, and knew nothing of it till the thud against their car took place. The car was a 1924 model Ford. No one was hurt, however, the car was smashed till it looked like no one could have been in it without being "pinched" at least.

This week the Herald man was rambling around, nosing into things for something interesting to write about, and we found it. We found our neighbor, Mr. W. W. Collier, who has been running a tailoring establish-ment in Hamlin for about twelve years, almost continuously, fixing to go "strong" for cleaning and pressing. Collier has just finished installing a big lot of modern machinery. What the tailor smiles about these days is the machinery that makes their work quick, easy and efficient.

TWENTY YEARS AGO

Three members of the Hamlin City Council were in Eastland last Thursday afternoon consulting with the City Manager on a paving project which the city is spon-soring, in which local city leaders were interested.

Making the trip to Eastland were Mayor Willard Jones and Councilmen B. O. Bell and W. S. Seals.

Hamlin High School's Pied Pipers cagers took a thrilling basketball game from the Anson Tigers last Friday night by a 51 to 48 score before a good sized crowd of area spectators. Lane Fletcher was high pointer for Hamlin with 15 points, followed by Don Adair who looped 13.

Hamlin High School girls lost their basketball game Tuesday night to the Colorado City girls by a 23 to 28 score.

Helen Johnston was high scorer for the Piperettes with 10.

Safety in traffic is being stressed by a Safety Club that was organized last week by

pupils in Room 5-A in the Elementary School.

The following officers have been elected by the group: Larry Grimm, vice president; Mark Smith, vice-president; Penny Ford, secretary; and Betty Robertson, treasurer.

Each pupil who is seen breaking a safety rule has to put a penny in the club's treasury. The importance of safe bicycle riding is especially stressed.

Members of the Hamlin Lions Club were worried last Thursday night when it looked like the "skirts" were going to take over the club, and all its functions, at the semi-annual ladies' night of the local club. Primary School cafeteria was the scene of the gathering that attracted more than 100 Lions, their ladies and guests.

Shortly after the banquet got underway under the leadership of President W. S. Seals, Mrs. Dorothy Albritton, wife of Lion Henry Albritton, took the speaker's stand to berate the Lions for their lack of progress and avowed beneficence for the community. She then nominated a slate of officers from ranks of Lion's wives, steam-rolled them into office, and they took over.

Mrs. Helen Egger, elected president, set forth some of the principles of real Lionism the new club proposed, including quashing all girlie shows on TV; disposing of parking meters and various husband improvements.

TEN YEARS AGO

The largest snowfall in a number of years brought nearly everything to a halt here Friday as the area was covered with seven inches of snow. Residents woke up to four to five inches of snow Friday morning and it continued to snow during most of the day.

The snowstorm caused the closing of most of the schools in the area including the local school system. It also caused the post-ponement of the Board of Community Development's annual banquet until this Saturday.

Mike Young was notified last week that he had won a Ford Mustang in a recent Haggard Slacks Contest. Mike, son of Mr. and Mrs. Gerald Young, purchased a pair of dress pants at Heidenheimer's and sent in the entry blank which was in the pocket. Following the drawing five winners of Ford Mustangs and 50 winners of \$100 gift cer-tificates for Haggard slacks were announced. The Ford Motor Company will notify Mike the delivery date on the car.

Bill Dominey was elected president of the Hamlin Riding Club Thursday night at a meeting held at the Oil Mill Guest Cabin.

Other officers elected at the annual election meeting were Bill Feagan, vice president; J. V. Howard Jr., secretary-treasurer; J. B. Gibson, Ernest Jenkins and Kenneth Scifres, directors; Billy McIlwain and John Holtz, area directors; and Buddy Allen and Don Elmore, assistant area directors.

On Wednesday morning following the F.H.A. devotional, it was announced that Patsy Sauls had won the Betty Crocker Award.

The Hamlin FFA boys scored heavily in the Jones County Livestock Show held in Anson this weekend with Gil Lain winning the Grand Champion of the show with his Chester White and Reserve Champion of the show with his Duroc.

Neinda Philosopher Looking for A New York Style Bank With A Shaky Loan Department

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One thinks he has discovered a new idea in banking, his letter this week indicates.

Dear editor:

A friend brought me a newspaper yesterday saying he hoped it would help speed my recuperation from my recent illness, and I can now report, without the aid of X-rays and a battery of laboratory tests, that I am just about cured. Any time you can read the front page of a paper these days and not have a relapse you're bound to be hale and hearty, makes no difference what it was you

were ailing from.

Anyway, what caught my attention was an article about two New York banks, classified as the second and third largest in the country. Although the two are in sound financial shape and are making satisfactory profits, still they have two or three hundred million dollars out in questionable loans—they're going to have real trouble collecting, in fact may have to write off as losses. In short, as the headline over the article said, they're shaky loans.

Now this kind of news disturbs some people, but that's because they have no imagination and can't see the possibility of the situation.

Now me, I think every bank ought to have a Shaky Loan Department.

A man who has all the collateral he needs can go into a bank and get a loan any time he wants one, but with others it's a different story. Think how nice it's be if you could walk into a bank, go right past the regular officers and ask to be directed to the Shaky Loan Office.

If you hear of any bank around here getting up on the New York level and opening a Shaky Loan Department, let me know immediately so I can get there before the line extends out the door and around the block.

Yours faithfully,
J.A.

Labeled for PROTECTION

Some medicines may be taken internally; others are for external use only; therefore labels caution us as to their proper use. These precautions are for our own protection and good.

All things in life are not so clearly marked as to their proper use. The Bible is our source and guide, our label.

Thy word is a lamp unto my feet, and a light unto my path.

Psalm 119, 105

ATTEND CHURCH, STUDY GOD'S WORD

EVERYONE IN THE CHURCH

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Garden Check List

Garden Check List for February by County Extension Agent Kirby Clayton.

1. Time to apply a dormant oil spray to pecan, peach and plum trees to control scale and phylloxera. Also effective for scale on euonymus and other broadleaved evergreens subject to scale injury. Follow instructions on container label carefully. Spray when temperatures are mild — under 75 degrees and no freeze predicted for at least 8 hours.

2. Beware of the door-to-door self styled tree surgeon who seldom knows one tree from another.

3. The January 7 freeze has damaged many plants in some areas of the State. Be in no hurry to prune until late February or early March. By then buds should be swelling and it will be easier to distinguish the damaged tissue.

4. Fertilize any freeze damaged trees and shrubs late this month to help promote new growth and healing of damaged tissue. Broadcast a fertilizer with a high nitrogen content beneath the branch spread of the plant and 3 to 6 feet beyond. Use at the same rate recommended for the spring lawn application. Water in thoroughly.

5. Essential to provide adequate moisture to plants that may have sustained freeze damage. Supplemental irrigation should be provided during any dry period throughout the spring and summer.

6. Don't prune spring flowering trees and shrubs such as spireaek, azalea and flowering quince until after they finish blooming.

7. When pruning shrubs follow these steps:

A. Prune out any dead or damaged branches first.

B. Thin out by removing about one-third of the canes or stems at ground level selecting the oldest canes only.

C. Shape the rest of the plant but don't cut everything back to the same height.

8. Prune hybrid-tea roses

in late February to induce new growth and spring bloom. Remove the top growth to 12 to 18 inches above ground, retaining 4 to 6 healthy canes. Delay pruning climbing roses until after their major flush of bloom.

9. Don't delay selecting plants needed in the landscape as stocks in local nurseries are usually in their best condition at this time. Select plants only if needed. One can soon overplant the landscape if not careful.

10. Time to select and order dahlia tubers for March planting.

11. Time to plant cool season annuals as calendulas, hollyhocks, cone-flowers, and nasturtiums.

12. This is a good time to select and plant any rose bushes you may need to replace those empty spots in your rose bed.

13. If you didn't repair and tune up the power garden equipment when you stored them for the winter, better get it done now before the repair shops become swamped.

14. Take time to clean and sharpen handtools if you haven't done so already.

15. Fertilize pansies once again for continued flowering. Don't forget to water when needed.

16. Seeds to plant for early flowers include alyssum, petunia, calendula, snapdragon and nasturtiums.

17. When planting bare-root trees (especially pecans) remember the 5 to 60 foot tree will usually become established and out-grow the larger sizes, all other things being equal.

18. Be sure to read that pesticide label again before using any pesticide. You may have forgotten the details regarding its use since you used it the last time.

19. Prepare beds now for planting vegetables and flowers next month.

20. Apply 15 to 20 pounds of 12-12-12 or similar fertilizer per 1000 square feet of lawn area in late February or early March. If using other

available fertilizer formulations, follow instructions on the bag.

21. Consult MP-1207, Annual Flowers in the Home Landscape for a complete list of annuals suitable for Texas.

22. Tender plants may still need protection. Be prepared to cover if cold weather is forecast.

Hamlin High School Happenings

(Compiled each week by the HHS Journalism Class)

Paul Reynolds in slide rule, Roger Gonzales in number sense and mathematics and Guy Turner in science were Hamlin High's top finishers in Division II at the Lubbock Invitational Meet held at Monterey High School the past weekend.

The three were top ten finalists despite the failure of Hamlin's team to place in the division won by Stamford. Andrews won Division I, which included AAA and AAAA schools, while Division II encompassed B, A and AA schools.

The FFA Chapter is selling oranges and grapefruit until Feb. 16. The price of the fruit is \$6.50 for a 40-pound box and \$3.50 for a 20-pound half-box.

The Piper boys' varsity and junior varsity and the girls' varsity travel to Winters tomorrow evening (Friday) to continue their quest for a 6-AA basketball title with three contests beginning at 5.

Mr. Tim Jones assisted the Piper annual staff in taking pictures of Hamlin High clubs and organizations during the mini-course periods last week.

The yearbook is nearing completion, as all material must be submitted to the

printer by Feb. 20. The 1976 Piper is scheduled to be distributed the middle of May.

Todd Marshall's 16 and Odis Willis' 14 points pushed Hamlin's eighth grade boys past Anson 40-21 Monday evening in Hamlin Gym, while the Piper girls were scalped 24-22 in the last three seconds on free throws, despite Donna Bell's 14 points.

The eighth grade squads travel to Albany this evening (Thursday) to tackle their eighth grade teams at 5:30.

The Hamlin High Spanish Club held their regular monthly meeting Monday evening at 7:30 in the Spanish room of the high school.

After Elise Kelley read the minutes of the last meeting, Andy Contreras, presiding, appointed an entertainment committee for future club programs. The planning committee includes Rick Craig, Contreras, Kelley, DeDe Young, Sherrie Carter, Tommie Mayes, Verna Thompson, Kayla Mehaffey, Jan Ford, Alice Lujan, Cheryl Baker, Linda Lujan and Chris Flores.

GIRL SCOUT NEWS

Troop 317 met Tuesday, beginning their meeting at the Dairy Queen with refreshments. After refreshments the girls put cookie posters in some of the stores downtown. After passing out posters, they went to the Girl Scout Hut to finish their meeting with the Brownie Song and promise.

The girls have now completed requirements for their second of five patches they've been working hard to earn this year.

Leaders of the troop are Mrs. Ronnie Lincoln and Mrs. Sam Mack Hodges.

the gospel truth

by Bro. Marshall Townsley

Romans 10:9-10 says this, "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation."

Among the various terms used in the Word of God, the word salvation seems to have suffered a tremendous loss at the hands of man's traditions and doctrines. These deadly customs have limited the meaning of "being saved" to the born again experience and a free ticket to heaven. Let me share with you that the shed blood of our precious Lord accomplished much more than what has been taught. The Greek word for salvation actually means deliverance from sin AND its consequences (spiritual death, sickness and disease, and poverty). Let's deal with these briefly.

First, spiritual death is eradicated by the new birth as we confess Jesus as our Lord and commit our life to him. This present day miracle brings us back into a fellowship with God that was lost when Adam sinned in the garden centuries ago. This part of redemption is widely preached. However, through Satan's cunning devices the large majority of Christians have not known that they were made free from all manner of sickness and disease along with spiritual death.

Psalms 103:2-3 says, "Bless the Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy

diseases;" I'm referring to walking in perfect health as well as divine healing. Further references are Isaiah 53:3-5, Matt. 8:17, and I Peter 2:24 just to name a few.

Thirdly, it is not God's will to be poor. III John v. 2 says "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth." It is not humility to be poor, but stupidity because we've rejected part of our blood bought redemption. "But my God shall supply all your need according to his riches in glory by Christ Jesus." Phil. 4:19, Matt. 6:24-34, II Cor. 8:9, II Cor. 9:8.

You may think that freedom from the consequences of sin will come eventually when we get to heaven but the Word says Jesus gave himself for our sins that he might deliver us from this PRESENT evil world. Gal. 1:4. After all when does eternal life begin? It begins the moment you confess Jesus as your Lord from the heart — not when you die physically. We will not need the Bible when we get to Heaven, therefore, it must be our guide to deliverance for this present day. Stop listening to men who do away with the power of God for today. The Holy Ghost is still in the earth teaching men the Gospel, and miracles have not passed away but remain a large part of the ministry of each Christian. The redemption of Christ was a complete work and it began by faith in you the day you received Christ. Are you accepting all that is yours in Christ? I pray you are.

Turban Making Class to Start Here Tuesday

A turban-making class for women who are out of school will be held in the high school clothing laboratory from 6:30 till 8:30 each Tuesday and Thursday evening beginning Tuesday, Feb. 3.

The class will be taught by Mrs. Hester Mae Johnson and Mrs. Edith Carter in cooperation with the Community Education program.

Each participant should bring one-third yard material, matching thread, scissors, pins, tape measure,

and a bobbin for a 201 or 401 Singer sewing machine. The course will be free.

Mr. and Mrs. Avis Jeffrey were given a housewarming Sunday afternoon. Friends, relatives and neighbors called to see their new home, brought gifts and were served goodies, punch and coffee. Tiny Ann Smart, daughter of Mr. and Mrs. James Smart Jr., made the Dean's list at Western Texas College in Snyder for the fall semester. Tiny Ann attained this high average and at the same time

did secretarial work when not attending classes.

Max Kemp, son of Mr. and Mrs. Fred Kemp, had an emergency appendectomy Friday noon and is recuperating in Stamford Memorial Hospital. He will be dismissed early this week.

Bobby Maberry and Don Pace went for a bit of fishing and relaxing to Hubbard Lake Saturday. At first the fish were uninterested but then Bobby and Don started catching fish so fast Bobby didn't even have time to light a cigarette. I could tell you how many they caught but better leave part of the story for Bobby to tell.

Congratulations to Todd Jeffrey, Debra Story and Donnie Jokel for writing winning essays in the contest. These essays will be in state competition next.

High School Basketball teams lost their games last week scorewise. However you don't have to win to learn when participating in any event including basketball. This Friday night our teams will play Rochester at McCaulley.

AN OPEN LETTER TO OUR MEMBER-OWNERS

For the better part of 40 years we have been overcoming obstacles to provide electricity. We knew when we started that it wouldn't be easy and it hasn't been, nor is it easy today.

We are paying the highest prices in our history for virtually everything we use from paper clips to wholesale power and these increases, particularly the fuel adjustment charge, are having a very substantial impact on our electric bill as well as yours.

We don't know when the people who generate our electricity will be able to assure us a stable price for power.

But we are dedicated to the task of providing electric power at its lowest possible cost. It was our promise on the day we were organized. It is our solemn promise today.

Missy, show the operation of the child-size "Water Spider" as their father, Billy Deel, right, and their uncle, Monroe Kennedy, get the adult size afloat in the swimming area of Fort Phantom Lake near Abilene. The first public showing of the aquatic invention will be during the Vacation Show Feb. 5-8 in the Taylor County Coliseum in Abilene. The idea for the "Spider" was conceived by Hamlin residents and the patent is pending.

'Water Spider' to Be Displayed At Abilene

An idea for water recreational equipment born in the mind of a Hamlin man has now been put into production by an Abilene firm and the first public showing of the "Water Spider" will be held during the four-day Vacation Show, Feb. 5-8, in Taylor County Coliseum in Abilene.

Allison Equipment Company in Abilene is manufacturing and marketing the "Water Spider."

Development of Dave Sanders' original idea started in June, 1975. The "Spider" comes in two sizes, one for children, up to 125 pounds, and one for adults, up to 400 pounds. Staying within the

weight limit allows the rider to ride without getting his feet wet, Mrs. Sanders said. Life jackets are required when riding the "Spider" on a lake, she added.

The Sanders were helped in the development of the "Spider" by Mrs. Sanders' brother, Billy Deel and her brother-in-law Monroe Kennedy. They worked in construction and perfection of the idea.

The patent application was made in June, 1975, by Mrs. Sanders, her sister, Joan Kennedy, and her brother, Billy Deel.

Dave Sanders, formerly in charge of hardware sales with Roadrunner Supplies in Albuquerque, N. M., is handling sales and distribution of the "Spider" for Allison Manufacturing.

Funeral Service Held Wednesday For Carl Wall, 57

Funeral for Carl A. Wall, 57, a retired farmer, was held at 2 p.m. Wednesday in the Church of the Nazarene with the pastor, the Rev. Marshall Stewart, officiating.

Mr. Wall died at 7:50 a.m. Monday at Stamford Memorial Hospital after a lengthy illness.

Born Sept. 12, 1918, in Cashem, Okla., he had lived in Hamlin since 1960.

He married Lavern Wilson May 29, 1944, in Anson. He was a veteran of World War II.

MRS. HUBERT TOLER services Wednesday

Abilene Services Held Wednesday for Mrs. Hubert Toler

Services for Mrs. Hubert Toler, 91, were held at 2 p.m. Wednesday in Elliott-Hamill Chapel of Faith on U.S. Highway 277 in Abilene. Mrs. Toler, a resident of Holiday Lodge since Nov. 15, 1969, died at 2:45 p.m. Monday at the Lodge after a lengthy illness.

The Rev. George Gibbs, pastor of Brookhollow Christian Church, officiated. Burial was in Elmwood Memorial Park.

Born Lewis Helena Hollingsworth March 16, 1884, she was the daughter of the Rev. and Mrs. George M. Hollingsworth of Grapeland. Her father built the First Christian Church, which is now 102 years old, in Grapeland.

She grew up in Grapeland and married Hubert Toler Feb. 19, 1905, in Waco. The couple moved to Loraine in 1905, where he built the first Higginbotham-Harris Lumber Company. He then built lumber companies in Roscoe and Colorado City.

They moved to Sweetwater in 1919, where they were in the automobile business. They also had automobile dealerships in Snyder and Abilene. In 1946 they moved to Abilene from Sweetwater. Mr. Toler died June 4, 1947.

Mrs. Toler's Abilene residence was at 1117 Glenwood. She was a

member of Brookhollow Christian Church.

Survivors include a daughter, Mrs. John F. Womble, 1117 Glenwood, Abilene; a son, Holly Toler of Hamlin; two sisters, Mrs. D. N. Leaverton of Lubbock and Mrs. Sam Kennedy of Grapeland; seven grandchildren and nine great-grandchildren.

Pallbearers were grandsons, including Holly P. Toler of Perryton, John M. Womble of Abilene, Jerry S. Womble of Lubbock, Tommy Toler of Houston and Tracy Rowland of Hamlin.

Fourth Graders Produce Safety Ranger Filmstrip

Fourth grade students in the classes of Mrs. Jimmy Hastings and Mrs. Gene Prewitt at Hamlin Elementary school have produced a colorful filmstrip for the Governor's Office of Traffic Safety in Austin.

The title of the film is "The Safest Show on Earth." Materials are provided by the Governor's Office of Traffic Safety for the purpose of

Gil Lain Named Centerville Baptist Church Pastor

Gil Lain, who had been serving First Baptist Church of Centerville as interim pastor for two months, accepted the pastorate of the church and moved there the first of the year.

Rev. Lain, 25, son of Mr. and Mrs. Dale Lain, is a 1969 graduate of Hamlin High School.

He became a Christian at the age of 16 and was licensed to preach when 18. He graduated from Hardin-Simmons University with a BS degree in 1973 with a major in religious education and business administration. He was vice president of the Baptist Student Union two years and worked as Admissions Counselor at the University for two years.

Lain was minister of youth at Jackson Avenue Baptist Church in Lovington, N. M., two summers. He is presently working toward a master of divinity degree at Southwestern Baptist Theological Seminary at Fort Worth.

His wife, the former Mary Lynn Ellison of Midland, attended Hardin-Simmons University for three years and will graduate from Texas Wesleyan College in Fort Worth in May with a BS degree in Elementary education.

She has worked as a summer missionary in Mexico and Texas through the El Paso Baptist Association. She is doing substitute teaching in elementary schools of Fort Worth Independent School District.

The couple moved into the parsonage at Centerville early this month. They are expecting their first child in May.

Weekend Travel Plan:

60% Savings on out-of-state Long Distance Calls

Travel by Long Distance this weekend and save. When you call out of state the One-Plus way on weekends (all Saturday and Sunday until 5 p.m.) you save 60 percent over the day rate. These savings are also

in effect every night from 11 p.m. to 8 a.m. And when you travel to another state by Long Distance you can afford to stay awhile. Additional minutes always cost less than the first. Have a good trip.

Where One-Plus dialing isn't available, One-Plus rates apply on station calls. If you dial direct and reach a wrong number, call the operator. You won't be charged.

One-Plus Discount Rate Periods

SAM HOUSTON
 Famous general, born in Tennessee, renowned for his victory over Mexico in the battle of San Jacinto, April 21, 1836. This brought independence to Texas, which soon was annexed to the United States. Houston's victory was in retaliation for the defeat of the Texans at the Alamo 6 weeks earlier, when 3,000 Mexicans fought 187 Texans, beating them after a week-long battle. Casualties included such brave men as Davey Crockett and Jim Bowie.
